### **“BLESSED TO SEE”**

by Carol Gordon

**“But blessed (happy, fortunate, and to be envied) are your eyes because they do see, and your ears because they do hear. Truly I tell you, many prophets and righteous men [men who were upright and in right standing with God] yearned to see what you see, and did not see it, and to hear what you hear, and did not hear it.” (Matt 13:16-17 AMP)**

I am so excited about things I have had the privilege of seeing and hearing lately! Of course, I am thrilled about our own launch into Internet video, but this has alerted me to opportunities to hear and see things by the same method! Plus I live in Oklahoma, where there is a lot happening! I am so thankful!

I remember in our early years of ministry, we would advise someone calling from another state to find a local church that was strong in faith. They would respond that they were going to the liveliest church in their area, and it was still very traditional. Now, anyone can avail themselves of the best Biblical training by tuning in to the internet site of their favorite teacher.

A couple of weeks ago, I tuned in to a conference in Austin, Texas, where friends of mine were among those ministering. I was able to hear them teach, plus a lot of people I had not had the opportunity to hear! What revelation was shared! I am still digesting it! One thing that was said was, “Stop disqualifying yourself!” That spoke to me and I realized I had often done that.

There was also several teachings on hearing from the Lord and seeing His vision for you. I realized I had often not really taken the time to meditate on things I had heard, (sometimes doing the disqualifying thing) or paid attention to quick snapshots I would see. I am asking the Lord for clarity, and praying about these much more. I have looked up the scriptures given and am meditating on them. I want to see and hear more accurately. I want to be available to the Holy Spirit to use me more often, as I stay tuned to Him.

**“The hearing ear and the seeing eye--the Lord has made both of them.” (Prov 20:12)** This is a scripture I have held to for a long time. It grows more important as the years go by. It is not only about our physical faculties, but about our spiritual receptivity. I want to see and hear more of what the Lord is seeing and saying all the time! I do not want to miss anything!

This past weekend, friends of ours were hosting Sam and Nancy Brassfield. We availed ourselves of the opportunity to hear these seasoned ministers. Again, I was amazed that I was privileged to be there. There was wonderful teaching and impartation. I also am astounded at the prayer groups I find myself attending. Our own church has wonderful prayer times, plus I regularly attend a City wide ministers prayer alliance.

Here in Oklahoma, we have the Heartland Apostolic Prayer Network, which is connected with prayer networks around the nation and world. We are right in the thick of the apostolic and prophetic prayer moves.

"Live! With Carol Gordon" every Monday at 12:30 CST

A half-hour talk-show format with interviews of impacting Christian leaders

The main thing is TO PRAY. Our nation is in such a state that only an awakening to God will turn things around. Individual lives are in turmoil as well. I was talking with some friends this morning and we were commenting that not a day goes by any more without some tragedy in the news. We must ask the Holy Spirit to lead us in prayer, so that we cover all the bases in our assignment.

We are part of a very large and growing Body and/or Army. (Choose the analogy that suits you best). Each of us has a function and a specific assignment. We are in the place and position the Lord has planned for us. Let us all faithfully check in for duty each day, and spend the time to seek His face and get our "Orders of the Day". He will weave the plan together so that it all works, even if we can only see our small part. We enter by worshipping at His throne, and following His lead as we pray. Our group prayers will be more powerful, if we have disciplined ourselves to our personal devotion to Him. We are His, He lives in us and works through us! As our Master said, "I have glorified You down here on the earth by completing the work that You gave Me to do". (John 17:4 AMP). In the same way, we too have the opportunity to give Him Glory and Honor as we obey Him.

## NEWS AND NOTES

Dear Partners and Friends:

Woohoo! The filming of the Healing Intensive is complete! We are now three weeks into the streaming live on [www.HeartMenders.TV](http://www.HeartMenders.TV). We had a small bobble the first few minutes of the first program, so I will have Demetra Watts back again, as she did not get properly introduced. The other weeks have gone very smoothly. The programs, if you can't get them live at 12:30 CST Monday afternoons, are archived and can be watched at any time. I am adding teaching segments as well.

I have enjoyed the Resurrection weekend with extended family and looking forward to Mother's Day.

My oldest grandson is coming for a visit the week after. I am so looking forward to some time with him.

As you can tell by the article above, I AM CONTINUING TO URGE YOU TO INCREASE YOUR PRAYER LIFE - FOR THE SAKE OF YOUR FAMILY AND THE BODY OF CHRIST! The next few months will be critical to the Body of Christ. Pray for His people to move from the Outer Court to the Holy Place and press into His Presence in the Holy of Holies. Include your home church and Heart Menders, as well. Again, I invite you to sign up on any of our prayer teams, for HM Prayer Requests, HM Support Team, HM Media Outreach, and Hope for the Hopeless Team. Soon I will be able to add a video of myself praying over these needs when I send the requests to the pray-ers.

I am so grateful for those who give to Heart Menders financially. Your gifts, large or small, are a wonderful blessing that help us get the word out on the healing of hearts. I am taking very seriously a "Word" to "value the anointing" and give it out!

Please keep praying, "LORD, HELP CAROL FULFILL YOUR CALL ON HER LIFE!"

Your sister in Him,

*Carol Gordon*
